EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Becker on 11/10/2004.

The application has been amended as follows:

- a) Claim 4, line 1, delete "or 3".
- b) Claim 5, line 1, delete "to 4" and replace with --or 2--.
- c) Claim 7, between lines 3 and 4 insert --a source of neutralizing enzymes--; line 11, after "and" delete the entire paragraph and replace with the following paragraph;
--control means for controlling operations of the driving motor, the heater, the air supply means, the source of neutralizing enzymes, and the exhaust means for formalin-neutralizing the organic waste in the processing chamber under heating, for then decomposing the organic waste thus neutralized by using an enzyme supplied to the processing chamber, for thereafter drying the decomposed substance, and for discharging a gas generated at that time.--
- d) Claim 12, line 1, after "any" insert --one--.
- e) Claim 14, lines 1-2, delete "of claims 7 to 13" and replace with --one of claims 7 to 11--.

f) Claim 15, lines 1-2, delete "of claims 7 to 14" and replace with --one of claims 7 to 11--.

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest a method of neutralizing a formalin-fixed organic waste in which the waste is subjected to a neutralizing process and then is subjected to a decomposing process using an enzyme or wherein the waste is processed by using a neutralizing and decomposing agent capable of neutralizing a formalin and dissolving an organic substance and then drying or an apparatus for conducting the method.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David A Redding whose telephone number is 571-272-1276. The examiner can normally be reached on Mon.-Fri. 6:00 - 3:00.
